

# A Friendly Flirtation (Friends First Book 3)

One kiss can change your life...Allison Hall is fed up with being a social outcast. Even at the tech company where she works for her brother and his best friend, Jared, she's the invisible nerdy girl. What she needs is confidence and that requires a makeover and dating tips. And she knows just the man to help Jared Esterly is shocked when Allison asks for his assistance and turns her down, knowing that her brother's business partner and best friend, Nick would kill him if he dated her, even if it is just for practice. But when Allison attempts to make changes on her own she fails spectacularly, Jared reluctantly steps in. Things heat up quickly, and soon lessons move from the salon to the bedroom. When overprotective big-brother Nick discovers Jared is dating Allison, their friendship and business partnership sour. Allison, consumed by guilt, must make a choice: stay with Jared, even though that means ruining his friendship with Nick and possibly his career, or leave the one man who sets her on fire.
