

Stop The Ball

All children love having friends, which is why this young boy's best friend is his football! His football flies in the air, rolls over the muddy ground, acts as a chair and even cuddles at night when our boy wants him to. But, one day, at the park his football decides to go for a roll on its own - past the pond, past the lake and far down the grassy hill. Our young boy runs to catch his ball, getting dirty and full of mud, before it becomes lost forever or taken by someone else. After a long day he learns how important it is to keep his best friend close to him and clean! This rhyming story for young children is not only filled with wonderful illustrations, it's also an inspiring story for active learners, teachers and parents, and much fun to read out aloud.
