15 Love Lessons I Learned... The Hard Way Second Edition Drawing on the experiences of love lessons learned the hard way, legendary CrossFit coach Greg Amundson offers insight into the unique relationship between a husband and wife.

Best known for his worldwide course on Goal Setting, Positive Self-Talk and Leadership, as well as his extensive career in Law Enforcement, Greg now opens his heart on the mistakes he made during his marriage to the most beautiful woman in the world.

When I searched for answers during my divorce, I sought insight from a strong Christian man with a greater understanding of my strife. I wish I had Greg's book then. Men need to read Greg's book and take to heart his advice on relationships, love and women. Scott Puckett, SWAT Operator, Richland County Regional SWAT Team and winner of TV Show One Man Army This book is a gift from Greg an honest, insightful and humorous account of his experiences and some great ideas on how to avoid the pitfalls of a modern relationship. I recommend you read it and learn from this warrior. Mark Divine, Commander, US Navy (SEAL TEAM 17, SOCPAC) and founder of SEALFIT This book contains lessons Greg Amundson learned the hard way. Through his mistakes, Greg gives you a chance, he opens the door, but like the cliché goes, it's up to you to walk through it. I suggest you do. Julien Smith, New York Times bestselling author of The Flinch
