

## Sweet 16

Teagan Phillips is obnoxiously rich, obnoxiously fashionable, and, this year, she's obnoxiously turning sixteen. No one's sweet sixteen party will be as glitzy, glamorous, decadent, and, well, obnoxious as Teagan's sweet sixteen party. She might single-handedly take the sweet out of sweet sixteen. In typical fashion, nothing is quite right for Teagan on the night of her sweet sixteen party. When a slew of unfortunate events unfold at what was supposed to be the sweet sixteen event of the century, she hits rock bottom, literally, by falling down the stairs into the wine cellar. When she comes to, a strange woman is standing over her. What happens next will bring Teagan back in time to when she was a sweet little girl with two parents, before her mother died and her father threw himself into his work. She'll be forced to face the choices she made that led her to be the person she is on her sixteenth birthday. And with the help of her fairy godmother (or whoever the heck the creepy woman in white is), this will be the sweetest of all sixteens.
