

Reading Study Notes: Exam Edge, Read Fast, Remember Better

GET: An unfair advantage in your studies
Do you want to learn the techniques for studying well? Do you want to read fast and remember more? Do you want an unfair advantage for your studies and examinations? What are the methods the top students use to gain more marks? How do the top students plan their study course? How to prepare well? What to do on the exam day? How to handle the stress? If you want answers to any of the above questions, this is the book for you.

DISCOVER: The secrets of reading for learning and reading for examination
In this book I share the secrets of reading successfully for learning, and for examinations. Hint: Both are important and need different approaches. I share with you, how to plan your studies, and how to prepare and behave on the day of the examination, and afterwards. **DO YOU HAVE 30 MINUTES** I know you are busy. You have to study. So I will not waste your time by writing a long twisted book on study methods. The information in this book is written in a crisp and to the point manner. In this small book I share several tips and tricks that will help you with studying and clearing any course. **ALL THE BEST!**
