

250 Two Year Olds to Follow 2005

This new racing annual provides readers with all the information they need to make betting on two-year-olds in the 2005 Flat season a profitable one. Paul Lincoln is a highly successful punter who has been studying horse breeding for over 30 years. Every year he selects 250 named two-year-olds that he thinks will perform well over the coming flat season. These horses are arranged in an easy-to-use A-Z format with one horse per page. Information includes pedigree, trainer and breeder as well an assessment of what sort of trip would suit the horse based on the performance of the sire and dam. In addition there is a record of turf stallions over three years, bloodline analysis, trainers with two-year-old runners and several indexes.
