

# Sadis Scroll of Wisdom

Born in Shiraz, Iran, in 1184, Sadi (pseudonym of Muslih-ud-Din Mushrif ibn Abdullah) is considered one of the major medieval Persian poets. He traveled widely, through regions of what is today Syria, Turkey, Egypt and Iraq. Vignettes of gritty caravan and street scenes give life to his tales. In old age he returned to Shiraz, and composed his two best-known works, the poetic *Bustan*, or *Orchard* (in 1257), and the prose *Gulistan*, the *Rose Garden* (in 1258). He died in 1283 or possibly 1291.
