

Are Religions from God?

By providing a conceptual resume of a variety of widely practiced religions, this book enlightens the reader to both the diversity and the similarity of religious thought. The discussion of the Korn brings to light Muslim doctrine and its basic incompatibility with those of many other religions. The progress from cult status to major religion is exemplified by the books section on Mormons, Christian Scientists, Jehovahs Witnesses and Seventh Day Adventists. The question and title of the book, Are Religions from God? can be answered by each reader according to individual beliefs.
