

The Three Marriage Enigmas: The Secret Reasons Marriages Fail and How to Ensure Your Marriage Thrives

A gradual loss of love and intimacy affects most couples, slowly eroding their marriage. What causes the loss of love? What drives a spouse into the arms of another? What factors propel couples who once sincerely pledged their love for one another to divorce court? The common response is to blame ones spouse, but is this really true? In *The Three Marriage Enigmas*, Kevin Foster, MTh, reveals the hidden and insidious forces that sap marriages of love and intimacy. These forces operate behind the scenes without the knowledge of either spouse. Left unchecked, these marriage enigmas destroy what were once happy, healthy, and loving relationships. Once you understand these destructive forces, youll understand why your spouse acts the way he or she does and how your own actions are perceived. Youll learn to forgive one another and begin working to reclaim the beautiful love you once shared through a specific, step-by-step system that removes uncertainty and guesswork. The road is not always easy. You must be willing to learn and do the work needed to restore your marriage. But the rewards are priceless!
