

The Rituals for Success: how to overcome frustration, negativity & transform your life

THE RITUALS FOR SUCCESS One The feeling of frustration teaches us that we dont see the world as it really is, and that if we really want to change the world, we must start with ourselves! Two- Misery and dread are a reality, and when we learn that life is not simple but complicated and difficult, we realize that a daily consistent Rituals for Success is the only defense we have against dread and droop. Third - We can transform negativity into confidence by developing Rituals for Success.
