

Archaeo-Volunteers 2nd Edition: The World Guide to Archaeological and Heritage Volunteering (Archaeo-Volunteers: The World Guide to Archaeological &)

Archaeo-Volunteers lists hundreds of organizations from all over the world. A summary of each organization is detailed with a description of each program, contact information, cost, duration, how to apply, and much more. Volunteering opportunities of all kinds are included, from short-term volunteering (one to three weeks) to long term (one month, a year, or more). One will not find guides more definitive or informative. This comprehensive handbook provides an up-to-date and easy to use resource for prospective volunteers interested in working in environmental work world-wide. Detailed entries, indexes, and the inclusion of e-mail and internet details enable the reader to quickly identify projects which match their skills and interests. Thoroughly recommended. Toby Milner, WorldView Publishing
