

Paw Prints through the Ages: The Adventures of Beauregard the Far-Traveled Siamese Cat

Paw Prints through the Ages traces the adventures of a truly remarkable cat. What begins as a sleepy existence in the small southern town of Opelika, Alabama, turns into a life of romance, adventure, and time travel, for Beauregard and his human companion Ramon. There are sword fights and battles galore in the work, as well as, storms at sea and in the desert, tornados, and various other hazards to keep our hero on his paws.
