

One Zentangle A Day: A 6-Week Course in Creative Drawing for Relaxation, Inspiration, and Fun (One A Day)

One Zentangle A Day is a beautiful interactive book teaching the principles of Zentangles as well as offering fun, related drawing exercises. Zentangles are a new trend in the drawing and paper arts world. The concept was started by Rick Roberts and Maria Thomas as a way to practice focus and meditation through drawing, by using repetitive lines, marks, circles, and shapes. Each mark is called a tangle, and you combine various tangles into patterns to create tiles or small square drawings. This step-by-step book is divided into 6 chapters, each with 7 daily exercises. Each exercise includes newtangles to draw in sketchbooks or on tiepolo (an Italian-made paper), teaches daily tile design, and offers tips on related art principles, and contains an inspirational ZIA (Zentangle Inspired Art) project on a tile that incorporates patterns, art principals, and new techniques.
