

Sentinel: A Short Story

Cathryn Mattox has made a choice. One that could save her family, or get her killed. Across an unfamiliar and wild land she stalks a monster, a legend. To succeed she must find within herself the strength to face her fears, her desires, her past, and find out what power truly is... A note from the author - First of all, thank you so much for reading my first published story. This is just the first in a series of short stories that I will be releasing that is to be titled The Esrian Chronicles. The series is set in the world of Esris, a world that is strange and beautiful, harsh yet wonderous. Inspired by my lifelong love of fantasy, The Esrian Chronicles will weave tales of fantastic places and events. Stories that, while grand and new, are, at their core, about humanity. (Even when the characters are not human!) So again I thank you deeply, and hope you enjoy your escape into the world of Esris.
