

The Reality of Fighting: A straight-forward look at the Martial Arts and the truth about fighting in the real world.

In his book *The Reality of Fighting* RJ Defaye makes straight-forward observations and comparisons both about martial arts and realistic street violence. Drawing from some of his own experiences RJ retells honest and sometimes painful stories from his past from both on the street and working as a bouncer in night clubs. *The Reality of Fighting* was created for people who are interested in the martial arts and wish to know more about the brutal truths behind real-world violence.
