

# Phil Whymans Dead Haunted: Paranormal Encounters and Investigations

The host of British television's Most Haunted program conducts a personally-guided tour through the world of paranormal investigation. Visit Phil's top ten favorite haunted sites, including some of the UK's creepiest locations, such as the aptly-named Chillingham Castle, where the pitiful wails of the Radiant Boy echo and the ghostly former mistress of the castle, Lady Berkley, forlornly roams the cold stone halls in search of her long-dead family. Or the infamous Edinburgh Vaults, where the spectral Mr. Boots stalks the dank chambers. Further, Phil explains how to tell natural phenomena from supernatural events, discusses the role of mediums, the equipment he uses, and details how all those with the interest and nerve can conduct their own investigations into the paranormal.
