

# From Humor to Hormones: A Mans Guide to a Pregnant Wife and a New Life

Books abound for pregnant women, walking them through motherhood week by week and stage by stage. But what about men who want a little help? What about men who don't want to study the anatomy of labor pains but just need a basic primer and a little assistance? Written from your 'average Joe's' perspective...enter radio sportscaster Joe Gumm. With humor, wit, and insight, Joe presents a 101 crash course for men seeking support and understanding for their pregnant wives, along with their new life that is about to come. Combining his own experience as the father of two, with countless interviews from other households, From Humor to Hormones is a must-read for every new dad and dad to be.
