

Follow Me

Liam Edwin Severin is a brooding young wizard whose home has fallen prey to the Dark Circle, a group of wizards ever on the search for the chosen hero who can bring their wicked reign to an end. Having given up on any hope of a normal life, Liam succumbs to the Circles every whim and command, in hopes that he might at least spare his parents from their wrath. However, one evening, Liam finds an unexpected gift in his room. A young girl whom the Circle captured in hopes that Liam will gain her trust only to torture her into becoming their spy. Liam is used to this kind of work, but this girl is different. She is Esma, a Story-traveler as well as a friend and flame from his childhood. Can Esma use the last of her Story-traveler wishes to save both Liam and his family? And if not, how can Liam possibly spare her from the Circles wrath? Though it seems impossible, he must find a way. For her love has made him human again, and he cannot bear the thought of losing her a second time. * Follow Me was the 3rd place winner in the 2011 Bards and Sages Annual Writing Competition Oh my goodness. This has to be one of my favourite stories I have ever read. ~ Oriana, Goodreads Richly written. ~ Stephen Burke, Goodreads I love the worlds and characters Christine imagines. This was such an amazing story, I couldnt put it down. ~ Jessica Dumitru, Goodreads ...I found that, once I started reading it, I couldnt stop...some of the writing was almost poetic. .. I was actually sorry to see it end. I can re-read it, of course, but its not the same as reading a story for the first time... I knew I had to give the story five stars when I was about halfway through and thinking, I really should be going to bed... but its only 4-something-am and I want to find out what happens at the end. ~ Sarah, Goodreads
