Return to the Land, and Linden Amorys quest to rescue her son and save the Land from the Despisers! Fatal Revenant, Book Two of The Last Chronicles of Thomas Covenant, begins where The Runes of the Earth ended: Linden Avery watches from a balcony while Thomas Covenant and her adopted son, Jeremiah, ride desperately toward Revelstone. But their reunion has vast consequences which she could not have foreseen. Soon she is betrayed by the people whom she most needs to trust. Transported deep into the Lands past, she is forced to confront mysterious strangers, legendary heroes, and ancient evils, and to stand alone against the malevolence of the Despisers minions. Abandoned in Garroting Deep, the most bloodthirsty of the Lands long-dead forests, she reaches a fearsome decision: she determines to reshape reality in an attempt to end the Despisers evil and her sons suffering. However, her purpose requires her to find Lorics krill, a weapon abandoned among the Hills of Andelain millennia ago. And she needs the aid of friends and allies who will turn against her if she reveals her intent. Attacked by enemies old and new, and harried by strange beings with ambiguous agendas, she strives toward Andelain. But the ravenous skurj are rising, and all of her actions appear to serve her worst foes.
