

The Engagement Ring Handbook: a mans guide to getting it right

The Engagement Ring Handbook is a practical manual for any man intending to surprise his partner with the perfect forever ring. An engagement ring is the most important piece of jewellery you will ever give but this is a subject on which most men are not experts and there is a lot more to it than price and prettiness. This book will answer all the common questions and most of the uncommon ones, arming you with the knowledge and the confidence you need to buy the perfect ring at a price you are comfortable with. Knowledge is power, and this book is about putting you in control so that you can: Delight your partner, make it personal and get good value for your budget; Avoid the common mistakes most men make when choosing a ring; Understand all you need to know about diamonds, precious gems and metals; Make a difference in the lives of others by buying ethically; Choose the right design which ticks all the boxes for you and your partner.
