THE WORDS OF CHRIST

By Saint John

**Hear The Words Of Christ As
Though You Were With Him
At The Time He Spoke Them**

**This Special Ebook Has ONLY The Words Spoken By
Our Blessed Lord Jesus With Instructions To Hear
Them On Any Ebook Reader, Computer, iPhone, etc.
This is not a bible**

"Heaven and earth will pass away; my words will never pass away."

Never before in history has anyone ever been able to hear only the words of Christ personally unless you lived at the time he did and was near enough to hear him speak of true meaning and purpose in this life and eternal happiness in the next. Using today's technology and this unique book, it is now possible for you to hear only the words of Christ as though you were with him when he walked and talked on this earth making it especially helpful for the blind; those whose vision is impaired and have difficulty reading; or for those who do not wish to read or even for those who cannot read. This ebook is truly special because it enables you to imagine yourself in the presence of Christ wherever and whenever you choose, at your own pace, in your own time while allowing the Holy Spirit another avenue to touch your soul and/or the soul of modern man. This special collation contains only the words of Christ by St. John without chapter and verse making it possible for you to hear the words of Christ and imagine yourself being present with him at the time he spoke them. It is then repeated in its entirety for reference with the numbers for chapter and verse for each quotation. Unless you lived at the time that Jesus did and was near enough to hear him speak, you do not have the chance to hear only what he had to say as though he was speaking directly to you. Scripture is inspired but this direct approach to you without the context of Scripture will also allow the Holy Spirit another avenue to touch your soul. Each ebook contains instructions to hear the words speak to you on any ebook reader such as Amazon (Kindle), Amazon UK (Kindle), Mac and Windows computers, iPhone, iPad, etc. This ebook is available worldwide.
