

Everhowl (Book 1) - YA Werewolf Romance

Denise cant believe it. That annoying bastard, Quentin Jackson, has challenged her boyfriend and soul-mate, Bradley, to a duel. In their cold and cruel world, that means one of the contenders will now have to die, and she herself will go to the winner. Such are the ways of the shape-shifters. What will be the outcome? Will Denise be forced to live the rest of her life with a person she hates, or will the young couple overcome all the obstacles thrown their way and go back to living their normal lives?
